

A vibrant summer beach scene. At the top, a bright yellow sun with rays is partially obscured by a blue cloud. Another blue cloud is in the top left. Two palm trees with green fronds and brown coconuts are positioned on the left and right sides. The bottom of the image shows a sandy beach with a green bucket containing orange liquid, a red shovel, a red and white beach ball, and a blue and yellow striped beach chair under a red and white striped umbrella. The ocean with blue waves and white foam is in the background.
